

Help Us Uncork the Cure to Cancer

**26th Annual Wine Festival at Dilworthtown Inn Sunday,
October 15, 2017**

On Sunday, October 15, more than 1,500 oenophiles will help us uncork the cure to cancer as they celebrate the 26th Annual Wine Festival at Dilworthtown Inn. As the county's premier wine event, the festival features more than 100 wines, craft beers, sumptuous fare prepared by Dilworthtown Inn chefs and local food trucks, a silent auction, shopping opportunities in the Gallery of Artisan Vendors, live music, a Performance Car Show, and much more. Proceeds from the wine festival benefit patients of The Abramson Cancer Center at Chester County Hospital and Neighborhood Health.

For friends and family members battling cancer, the cancer specialties at Chester County Hospital brings world class care of the Abramson Cancer Center close to home. As part of Penn Medicine, we offer the latest treatment protocols and cutting-edge technology. Our outstanding medical staff, clinical team, nurse navigators and hospital volunteers are known for providing the highest level of care and attention to the needs of our patients. And, we work to give every patient every edge in their battle with cancer, including assistance for patients who are uninsured and underinsured. Outside of the hospital, patients continue to have access to the highest level of care through the services of Neighborhood Health (home health, hospice, private duty, and Senior HealthLink services).

The Wine Festival is organized by the Brandywine and Greystone Women's Auxiliaries to the hospital. To attend, volunteer, sponsor or donate, visit www.2crushcancer.com or call 610.431.5054.

About Chester County Hospital

Throughout 2017, Chester County Hospital is celebrating 125 years of dedication to the health and wellbeing of the people in Chester County and surrounding areas. Founded in 1892 as the county's first hospital, the non-profit has grown into a 248-bed acute-care inpatient facility in West Chester. It also has outpatient services in Exton, West Goshen, New Garden, West Grove, Jennersville, and Kennett Square. In 2013, Chester County Hospital became part of Penn Medicine, which is one of the world's leading academic medical centers, dedicated to medical education, biomedical research, and excellent patient care. Learn more at ChesterCountyHospital.org.

About Neighborhood Health

Neighborhood Health's hospice inpatient unit is a 22-bed facility for terminally ill patients who cannot be cared for in their home environment. It is designed for short-term stays, focusing on individuals who have acute care issues. It is a home-away-from-home, with warm and inviting patient rooms, a large dining area where families can share a meal, friendly gathering spaces and a peaceful meditation room.

About the Women's Auxiliary

The Dilworthtown Inn Wine Festival is jointly organized by the Greystone and Brandywine Branches of the Women's Auxiliary to Chester County Hospital. One of the most active opportunities for volunteering at Chester County Hospital is through one of its many Women's Auxiliaries. The women who generously give in this capacity represent the gentle arms of a community dedicated to their community healthcare provider. Lasting friendships have been made among the members who represent our Auxiliaries. Energetic and organized, their work at the hospital is evident and greatly appreciated.

About the Dilworthtown Inn

Few restaurants in the entire Philadelphia area surpass the Dilworthtown Inn in quality and consistency. Since 1780, this renowned gathering place has offered warm hospitality that is as welcoming as a hearty handshake. The candlelit atmosphere, roaring fireplaces and exceptional, imaginative American cuisine make Dilworthtown one of the most popular destinations for diners who appreciate the fine details. Every aspect of your visit from appetizer to after-dinner drinks is finely tuned to perfection by proprietors Jim Barnes and Bob Rafetto.
