
Shred-it Saturday

West Goshen Township
Municipal Complex
Saturday, November 18, 2017
9:00 AM — 12:00 PM

Identity theft is becoming a huge worry in our communities. This event will give our residents the opportunity to have their confidential documents destroyed on site, free of charge. It gives people the security of knowing and their sensitive material is not falling into the wrong hands.

- Shred events are for paper shredding only.
- All material is 100% recycled and we maintain a 0% landfill policy.
- You can watch the shredding take place on the TV monitor in the truck.
- There is no dust associated with our shredder.
- The shredded material that comes out of the shredder will be the size of a fingernail.
- We request you limit your papers for shredding to 3-4 file size boxes (9"x12"x18").
- This event is for the general public only-no businesses.
