Jack Yahraes from East Goshen Township was in attendance.

The regular meeting of the Authority was called to order at 7:33 P.M. by Chairman, Mike Arnold.

Dave Johnson motioned to approve the April 3, 2013 meeting minutes, seconded by Phillip Corvo, motion approved.

Ross Unruh presented the Solicitor's Report for the month. The Federal Court complaint was filed and has been served on EPA. The DEP HQ delivered the 2012 303 (d) stream impairment list to EPA. Ross Unruh discussed what has been transpiring with DOJ & EPA. Ross discussed what has transpired in the past month with regard to the federal case against EPA. Judge Sanchez has ordered a conference call for July 8, 2013. Judge Sanchez has agreed to put the case in suspense.

Dave Johnson made a motion to authorize Hall & Associates to file an appeal over the FOIA administrative documents EPA has refused to release, seconded by Frank Biasi, motion passed unanimously.

Max Stoner gave the Engineers report dated May 1, 2013: (See report for details)

1. Current Items

a) Goose Creek Stream Study/TMDL Permit Issues

The TMDL issues are continuing on. The federal suit against EPA was filed in federal court.

2. The Arbours at West Goshen –

They are continuing to build a few more homes. There are some changes proposed in the

mixture of types of homes to be constructed due to a changing market.

3. Goshen Leisure Development

Nothing New This Month

4. West Goshen Business Park

The developer has submitted plans for a 114 one-bedroom age restricted apartment complex to be constructed on Lot 8, there are no major concerns with the sanitary sewer system.

5. Zarelli Subdivision 825 Goshen Road

Nothing new this month.

6. Margarita's Site Development

Waiting for as-built plans. Nothing new this month.

7. Wexford Mews

Waiting for as-built plans. Nothing new this month.

8. Jerrehian Estate

Large Tract – Woodlands at Graystone

Glance has finished the initial review the sanitary sewer plans for the proposed 598 unit development. They are still proposing two (2) pumping stations. They have provided preliminary plans. The review has been completed with no major issues on the proposed design.

Wrangley Court - Plans for 14 lot development were reviewed and approved. The pre-construction conference was held. Installation of the off-site sewer mains and laterals is underway.

The proposed three (3) lot subdivision which was an existing home and two (2) new lots, there were a few minor comments. Horizon Engineers called and discussed both reviews and agreed to make the requested changes. The WCASD has signed an agreement to dedicate the gravity lines and right of way to the existing small pumping station at the athletic fields to the Authority. Ross is handling the paperwork.

Graystone South

The sewer work is substantially complete. They submitted a video of the pipe installation. They have provided as built plans and dedication documents as well as a sanitary sewer easement to Max and Ross for review. The easement was approved and sent by our office to Ross. Ross received the signoff from the Jerrehians.

9. Greenhill Corporate Park – Lot 11

Drury Development Company is proposing a 2 ½ story 34,480 s.f. office building at 1171 McDermott Drive. There are no major issues with the sewer for this proposed project. this was approved at the planning commission in July, 2009.

10. Village of Shannon – Shadeland Woods

They are continuing to construct units in this development.

11. Lincoln Independence Park
Nothing New This Month
12. DLH Development – Reservoir Property
Waiting for as-built drawings and dedication documents. A neighboring property wants to into their line, a draft plat and description for the adjoining property has be received for review.
13. Domestic Violence Center
Need record drawings of the tie-in to the system. Nothing new this month.
14. Gavin Property – 415 Goshen Road
Nothing New This Month
15. Liberty Tools
This property will be served by a grinder pump. They have proposed to tie a few other lots into the low pressure system. John Scott has agreed with this concept which was done on Delaware Avenue and Wexford Mews. Ross has been discussing individual grinder pump agreements for each property that will connect to the system with the attorney for Liberty Tools. Nothing new this month.
16. Kirkland Woods
This is a new 7 lot sub-division on 4.3 acres, located at Kirkland Avenue and Ashbridge Road. The sanitary sewer main needs extended but no rights of ways are involved. A developer’s agreement will need to be entered into between the Authority and the developer. The plan received approval from the Township and they have contacted Ross and our office to establish a construction escrow account. They reviewed and approved the construction escrow account.
17. QVC Warehouse
QVC is planning an approximately 60,000 s.f. addition to its warehouse. There appear to be no significant issues with the sanitary sewer system for the proposed addition.
18. Chester County Hospital
The plans were revised to address all the review comments. They will need to dedicate a small portion of the sewer line in Goshen Road to the Authority. There were some questions on the EDU’s and the sewer permit applications. We have not seen the easement plans or the road occupancy permit application for the township. There have been some questions on deduct meters for the chillers and condensers. The plant staff will review the installation during construction.
19. Fame Fire Company Expansion
Proposed 4,040 s.f. addition located at S. Matlack & Rosedale Ave. This does not significantly affect the Authority’s system. An approval letter was sent out. Nothing new this month.
20. Deco Sales Company
3,000 s.f. addition to office and warehouse on Carter Drive. Review was done and submitted to the township and the developer’s engineers.

21. Best Line Leasing, Inc.

Site of the former Davis Lumber Company, will be constructing a commercial building. There will be an extension to the sewer lateral and installation of a commercial/industrial monitoring manhole.

22. Driving Range

Hagarty Blvd. proposing to have 7 office buildings constructed on it. There is a concern with the old landfill and the stability of the soil under the new mains and laterals.
