The following summarizes recent activities performed on behalf of the West Goshen Sewer Authority (WGSA) for developer activities within the sanitary sewer service area:

Jerrehian Estate-Large Tract-Woodlands at Greystone-#126

A&E Consulting, LLC indicated that Phase 2 of the small single family homes started on June 15, 2020. Lyons & Hohl is the Contractor for the work which consists of 31 lots. Carroll Engineering continues to provide inspection services for this work.

HRG received redline drawings for proposed sewer facilities on Andrew Drive from Horizon Engineering. The drawings show a new sewer main parallel to the existing main on Andrew Drive. HRG is coordinating with Horizon Engineering to confirm the justification for this route and that there are no other feasible alternatives for the proposed sewer main alignment.

825 Goshen Road-#205

No new activity in September 2020.

Islamic Society- #245

No new activity in September 2020.

Glenn White - 901 Shiloh Road - #254

A final construction escrow release for Shiloh Estates in the amount of \$6,847.50 has been recommended by the Township Staff.

No new activity in September 2020.

Greystone Elementary School - #255

HRG has been in communication with Bohler Engineering as new information has been obtained from A&E Consulting, LLC through their effort to record the previously approved Plan for 3 lots located on Pottstown Pike that are adjacent to the Greystone Elementary School property. As will be further explained below, there is inconsistent and missing information regarding sewer easements and connectivity for the low pressure sewer facilities located on the Greystone Elementary School property.

No new activity in September 2020 – see below for updates on Jerrehian 3-Lot Subdivision.

Luxor Apartments – 956 S. Matlack Street - #256

No new activity in September 2020.

1035 Saunders Lane - #258

Dan Hudson of Evans Mill Environmental, LLC (a sub-consultant for D.L. Howell & Associates, Inc) contacted HRG directly regarding questions he had on the Authority's Standards. Dan mentioned that D.L. Howell & Associates anticipates a resubmission of their LD Plan in January 2020 that addresses comments from HRG's October 3, 2019 letter.

No new activity in September 2020.

1150 West Chester Pike - #259

Construction was completed and the connection to the Authority's system was completed during the week of June 15, 2020. Construction and the connection were observed by Township Staff.

No new activity in September 2020.

Springer Corporate Center - #260

We received a Preliminary LD Plan submission on February 26, 2020. The Preliminary LD Plan was reviewed and a letter containing review comments was completed and sent to the Township on March 4, 2020.

No new activity in September 2020.

600 Greenhill Road - #261

HRG received the second LD Plan submission on April 16, 2020 that addressed the majority of HRG's March 4, 2020 comments. The LD Plan was reviewed and a letter containing review comments was completed and sent to the Township on April 21, 2020.

No new activity in September 2020.

Goshen Walk - #262

The updated LD Plan submission was reviewed and a letter containing our comments was sent to the Township on September 16, 2020. JMR Engineering indicated that they have received a Planning Exception from DEP, but that was not provided to HRG.

Trumark Financial Credit Union - #263

The Preliminary LD Plan submission was reviewed and a letter containing our comments was sent to the Township on May 7, 2020. A second LD plan was submitted that satisfied HRG's comments. A final comment letter was sent to the Township on May 26, 2020.

No new activity in September 2020

839 S. High Street - #264

The Preliminary Subdivision Plan submission was reviewed and a letter containing our comments was sent to the Township on September 8, 2020.

504 S. Concord Road - #265

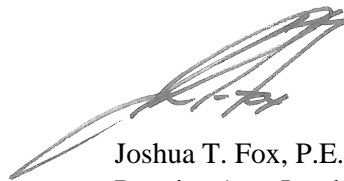

The Preliminary Land Development Plan was submitted electronically to HRG on September 11, 2020. Once and Escrow is established, HRG will formally review the Plan and provide comments to the Township.
