

1 DAY ONLY!

Drop off an old, working room air conditioner and get a \$25 rebate from PECO.

Dear PECO Customer,

Join us at Home Depot on Saturday, October 7 to recycle your old, working room A/C units and get a **\$25 rebate** per unit recycled. We'll even unload them for you, making drop-off easy and convenient!

You could win a pair of Philadelphia Flyers tickets, compliments of PECO!* Plus, all participants will receive a long-sleeved T-shirt at the event.

Eligibility:

- You must be a PECO residential electric customer to participate.
- Please bring your valid PECO account number, or a copy of your recent PECO electric bill.
- Room A/C units must be in working condition.
- We will accept two (2) working units per customer.
- Your \$25 rebate will be mailed to you in 4–6 weeks.

Just look for the PECO signs to direct you to the drop-off location. We hope to see you there!

* All eligible customers will be entered into a drawing for a chance to win. Winner will be notified at a future date.
