Re: Republic Services/West Goshen Township extension

Dear Mr. LaLonde:

On behalf of Republic Services Inc. and our Brandywine division, I am writing today to notify the Township formally of our company's desire to exercise the first of two (2) available one (1) year contract extension options.

The initial three-year term of our agreement provided for an annual price increase of three percent. As a condition of this first extension term, we respectfully request consideration of a three percent increase over the current Year 3 per unit rates.

I also want to take this opportunity to express our thanks to the leadership, administration and residents of West Goshen Township. The people of our Brandywine Division greatly appreciate our partnership and your continued confidence in us.

If you have questions or require additional information, please contact me directly.

Sincerely,

Dominic Fulginiti

Municipal Services Manager
