WEST GOSHEN RESOLUTION NO. 10 - 2019

WHEREAS, Boot Road (S.R. 2020) traverses East Goshen and West Goshen Townships; and,

WHEREAS, the section of Boot Road between Wilson Drive (T.R. 552) in East Goshen Township and Greenhill Road (S.R.2018) in West Goshen Township experiences congestion during the evening peak hour; and,

WHEREAS, the Boards of Supervisors of East Goshen and West Goshen Township believe it is in the public interest to take steps to reduce this congestion; and,

WHEREAS, Carroll Engineering Corporation has advised that the restriping can be accomplished pursuant to a Highway Occupancy Permit from the Pennsylvania Department of Transportation; and,

WHEREAS, the Boards of Supervisors of East Goshen and West Goshen hereby authorize Carroll Engineering Corporation to prepare and West Goshen Township to submit the aforementioned Highway Occupancy Permit to the Pennsylvania Department of Transportation; and,
