

## Summer 2007 Road Rules

*In each issue of the Township Newsletter, the West Goshen Police Traffic Safety Unit will provide information on sections of the Pennsylvania Vehicle Code that may inform readers on the requirements of these sections and the penalties for violating these sections.*

Drivers are reminded that headlights must be turned on in the following conditions, according to Section 4302 of the Pennsylvania Vehicle Code:

- Between sunset and sunrise.
- Any time a driver can not discern a person or vehicle from a distance of 1,000 feet due to insufficient light or unfavorable atmospheric conditions, including rain, snow, sleet, hail, fog, smoke, or smog.
- Any time the vehicle's windshield wipers are in continuous or intermittent use due to precipitation or atmospheric moisture.

Make sure all headlights, taillights, and brake lights are properly working. Drivers can be ticketed for nonworking equipment during the conditions listed above.
